

SUMMARY INFORMATION
REGARDING THE NEW FINDINGS OF THE DOCTORAL THESIS

1. Topic name: **The quality of thematic supervision by the Inspection Commissions of provincial-level Party committees in the Red River Delta at present**

2. Field/Specialization: Building the party and State government

3. Code: 9.31.02.02

4. PhD student: Nguyen Thanh Trung

5. Instructor: Dr. Tran Duy Hung; Dr. Le Dinh Nam

6. Training facility: Academy of Journalism and Communication

7. New conclusions of the thesis:

Concept: The quality of the specialized supervision work of the provincial-level inspection committee in the Red River Delta is the synthesis of the attributes of the supervision program and plan, the implementation of the supervision contents and methods and the results of the supervision work, reflecting the level of satisfaction of the requirements for the thematic supervision of the inspection committee at the level of the Party committee provinces in the Red River Delta.

Breakthrough solution: Strengthening the leadership of the Provincial Party Standing Committee; coordinating with specialized agencies advising and assisting the Provincial Party Committee, departments, branches of the government, and local mass organizations in improving the quality of thematic supervision work of the Provincial Party Inspection Committee in the Red River Delta.
